

Definitions

“**MCFD**” is the McKenzie Clearwater Fire Department.

“**Service Area**” is the area serviced by the MCFD. This is roughly described as the territory west from the Kenora to the Manitoba Border, the CNR tracks to the north with the exception of Ingolf, and all roads south of the CNR tracks with the exception of Reserve land. Our territory is the Largest LSB in Ontario at approximately 875 square KM. We cover all islands in Rush Bay, Echo Bay and North of a line down the centre Ptarmigan bay and the Islands outside of the Kenora city limits.

“**Property**” is a lot of land as recognized by MPAC and is in the Service Area.

“**Driveway**” is an access way which either leads to one Property; or is less than 100m in length and leads to a small number of Properties each with or without short access ways. Driveways branch off roads.

“**Road**” is an access way greater than 100m where multiple properties can be accessed, each with their own driveway. Roads can branch off other Roads or off Hwy 17.

“**MTO**” is the Ontario Ministry of Transportation.

“**Address**” is the number assigned to identify each Property. No two Properties on the same Road can have the same address.
